Huntington Harbour Boat Parade

December 11 & 12

Grand Marshal Message

Casey McKeon

Being elected the Grand Marshal of the 2021 Huntington Harbour Philharmonic Boat Parade is truly an honor. Growing up in the Harbour and attending the Parade every year, I truly appreciate and respect the tradition and joy this great event brings to the Huntington Beach residents every Holiday Season.

This year's theme is American Dream; Rock The Harbour! Here in Huntington Beach, we live the American Dream and I want everyone to come rock out and celebrate!

I am a 3rd Generation Huntington Beach resident as well as a 3rd Generation Huntington Harbour Philharmonic Committee member. My very first memories of Huntington Beach always included the Huntington Harbour Philharmonic Boat Parade. An annual tradition, I always loved the different yearly themes and looked forward to seeing which Captains went all out decorating their boats.

I've been blessed to have been able to watch onboard a participating boat when my father, Calvin Free, was the Grand Marshal and from friend's homes on the water. I've watched from the dock across from the Yacht Club and even tied up a Duffy at the end of the dock at Peter's Landing where we were so close, we could almost high five the Parade participants. No matter where the viewing location, we always made sure to never miss the Parade.

I've been fortunate to be involved with the inner workings of the Parade as a Parade Lieutenant. That experience taught me how critical it is for all of the Parade volunteers to work in unison with direct lines of communication to ensure the safety of all those involved. I learned the logistics of the parade from the training of the boat Skippers, the route of the parade, placement of the night captains, crowd and traffic control. The knowledge I gained gives me confidence that I have the experience required to be a successful Grand Marshal.

Thank you for supporting the 59th annual Huntington Harbour Philharmonic Boat Parade and I look forward to seeing you out on the water December 11th and 12th!
